

ACCEPTANCE LETTER

Dear Ms. Umida Abirova and et.al.,

We are pleased to inform you that your manuscript entitled:
“The Impact of Epigenetics on Language Processing and the Neural Mechanisms of Reading Comprehension”

has been formally accepted for publication in **Genetics and Molecular Research (GMR)** (E-ISSN: 1676-5680).

Following a thorough editorial evaluation and peer-review process, the manuscript has been found to meet the scientific, methodological, and ethical standards of the journal. The reviewers have acknowledged the originality of your research and its valuable contribution to the interdisciplinary field connecting epigenetics, neuroscience, and language processing studies.

The article will be scheduled for publication in an upcoming issue of the journal. Further details regarding publication format and indexing confirmation will be communicated to you by the editorial office in due course.

GMR is indexed in Scopus, and your accepted article will be included accordingly upon publication.

We congratulate you on this achievement and thank you for choosing our journal for the dissemination of your research.

Sincerely,

Francisco A. Moura Duarte
Founding Editor
